Business

Storm Recovery for Trees

Mr. Shane explained there was information in the packet regarding storm recovery for trees. He remarked with the upcoming spring storm season, there is the possibility of tree damage in the area. He stated the article in the packet can be shared with their neighbors.

Mr. Rodehaver asked if tree limbs are down or hanging low over walking paths or sidewalks, who would they contact at the City to let them know.

Mr. Shane suggested contacting the City Manager, and that information can be filtered down to someone who can take care of it.
